

Chatterbox Voices is a buzzing boutique sized voice agency, which represents an impressive pool of highly skilled voice talent and translators from more than 80 languages.

**We offer a one stop shop for all your audio and video needs:**

Our Voice Artists are experienced in all areas of the industry; from video games and dubbing, to corporate films, e-learning, commercials and more. Our Translators/Subtitlers are equally diverse.

Together with our audio allies Alchemy Post, we offer Voice Over recordings and Audio post production services to the highest standard– at competitive prices and super quick turn around times.

Our versatile video team offers full service video production – including corporate and web broadcasting and AV services for events and live streaming.

**Our services include:**

- Studio Hire (ProTools/SADiE/ISDN/Source Connect)
- Voice Overs in 80+ languages
- Children's Voices
- Translation/Transcription/Subtitling
- Full video production (Sony NEX FS700 and Canon C100 cameras)
- Video Creation and Captioning (Graphics)
- Video Editing (FCP, FCPX and Adobe Premier)

'I have been producing Radio and TV for over twenty years and can honestly say you would be hard pushed to find a more switched on, friendly or value for money service than the team at Chatterbox. They not only provide an excellent service but are hugely flexible and, most important for me, very human and understanding of the changing landscape in which I have to work.'

Marcus Railton - Pepper Rafferty Ltd

'When we need to find authentic, professional voices at a competitive price for one of our many multi-lingual projects Chatterbox Voices is very often our first port of call. The team is always quick to get back to you, friendly and flexible'

Tobie Pettitt  
Audio producer

'Following a recommendation, I went to Chatterbox Voices and was most impressed by their attention to detail, competitive rates and friendly professional service. The Mandarin and English voices sourced were top quality and no job was too small. Thank You.'

Rowena - Planet Afryca.
